

Document Discussion

Read the first two sections of the Unit 4 Big Idea (Enlightened Ideas and Pushing for Change, Resistance to Rule), then answer the following questions:

What ideas from the Enlightenment influenced British-American views on British governance?

How did British subjects in North America try to change their relationship with the Empire?

Now investigate the primary source document you are assigned by your teacher, answering the following questions as you do so:

What is the purpose of this document?

Who was the intended audience?

Did this document have the intended effect on its audience?
