HESSIAN CAP CRAFT

MATERIALS

• Two pieces of construction paper
• Scissors
• Stapler
• Crayons or Colored Pencils
• Optional: Feathers or Pom Poms and Glue

DIRECTIONS

1. Cut out the template of the cap. You can use this to make your cap or trace it onto a piece of colored paper.

2. Cut 2” wide strips of the length of the second piece of colored paper for your side pieces.

3. Decorate the front of your cap! Hessian caps had symbols that represented where they came from. What can you draw that represents you and where you live?

4. If you want to, decorate the top of your cap with feathers or pom poms.

5. Staple each of your bands to the outside corners of the cap.

6. Measure your bands around your head and staple where they meet.

WEAR YOUR CAP WITH PRIDE!
